تعليمات خاصة بمناقشات مشاريع التخرج
2021-2022 (1)

Video Guidelines

A video in English or with English subtitles, the maximum duration of the video is **2 minutes.**
During this video, the team members are encouraged to be creative and can use images, pictures, text, music, animation, or simply have an individual in front of a camera to advertise your project.

Your video should include the following:

1. University Logo, Project Title, team members names, supervisor name, year and semester

2. Introduce the main **problem** your project is trying to solve

3. Show your **solution** working (via screens or demo of usage or any other way you see appropriate)

Submission method required:

- Upload the video on YouTube then include the video link in your final submission on the GP system.
